14th INTERNATIONAL CONFERENCE ON HYDROSCIENCE AND ENGINEERING

SPONSORSHIP PROSPECTUS

www.iche2020.com

Dear Manager,

14th International Conference on Hydrosience & Engineering, ICHE 2020, will be held in Çeşme on 22-25 September 2020.

The International Conference on Hydrosience & Engineering, began in Washington DC in 1993 and followed by Beijing (1995), Cottbus (1998), Seoul (2000), Warsaw (2002), Brisbane (2004), Philadelphia (2006), Nagoya (2008), Chennai (2010), Orlando (2012), Hamburg (2014), Tainan (2016) and Chongqing (2018). These conferences provided a common platform for researchers and engineers to report and discuss the latest scientific advancements in hydrosience and engineering. ICHE 2020 aims to bring together researchers and engineers to share the latest scientific and technological developments and provide networking opportunities for future activities. The participants will be able to hear the experts discussing the current developments about topics such as Water Resources Management for Sustainable Development, Dams, and Coastal Structures.

We would like to invite you to our conference to introduce/promote your company, follow the latest scientific developments, introduce new technologies and applications to international users and to take your place in the world of the future.

Thank you in advance for your interest in our conference.

Regards,

ICHE 2020 Organizing Committee
